InterakTABLE Table Mount

FOR BRIGHTLINK® 455Wi INTERACTIVE PROJECTORS

Projector not included

Versatile classroom mounting solution.

Make your table[1] an interactive workspace with the InterakTABLE table mount, designed for use with BrightLink 455Wi interactive projectors. Ideal for collaborative learning environments, or interactive lessons, the InterakTABLE mount provides greater accessibility for students of various heights, as well as those using wheelchairs. Equipped with a handy accessory tray, it's perfect for storing your interactive pens and remote, ensuring they are easily found when needed. Best of all, the versatile InterakTABLE provides an affordable interactive table solution at a fraction of the cost of similar solutions.

Stable — with its rugged steel frame and secure clamps, this sturdy mount attaches quickly to most tables[1]

Portable — easy-to-attach clamping system; move your BrightLink 455Wi from table to table, creating an interactive surface almost anywhere needed

Flexible — vertically-adjustable mounting plate; the InterakTABLE table mount supports WXGA, interactive images from 50 – 60" diagonally

1 Always install on sturdy tables with permanent legs positioned as close to the edge as possible. Use of folding tables is not recommended. Do not use on tables with side rails on the underside, which would prevent the clamp from fitting securely around the table edge. Consult your product manual for details.
